1. INTRODUCTION

a. Application of Contract of Carriage to Passenger Travel

- (1) By purchasing or accepting transportation on Eastern Airlines, LLC, Passenger¹ agrees to be bound by the terms and conditions contained in this *Contract of Carriage* and also agrees to be bound by (i) any terms and conditions printed on or in any Ticket or Ticketless Travel Confirmation, (ii) terms or conditions specified on Eastern's Internet site with respect to electronic ticketing, or (iii) terms or conditions published in Eastern's schedules. To the extent there is a conflict between this *Contract of Carriage* and the terms and conditions specified on a Ticket or Ticketless Travel Confirmation or on the Eastern website, the *Contract of Carriage* governs.
- (2) Eastern reserves the right, in its sole discretion and to the extent not prohibited by federal law, to change, delete, or add to any of the terms of this *Contract of Carriage* without prior notice. All changes must be in writing and approved by a corporate officer of Eastern.
- (3) Applicable terms and conditions are those in effect as of the date a Passenger commences travel on a given itinerary. In the event these conditions of Carriage are amended after a Ticket is purchased but prior to commencement of travel in a way that substantially affects the terms and conditions of a Passenger's Carriage, a full refund of the Ticket price may be requested if the Passenger does not agree to be bound by the conditions as amended. Nevertheless, Eastern reserves the right to apply rules currently in effect on the date of Passenger's travel where reasonably necessary for operations and where the change in rule does not have a material negative impact upon the Passenger.

b. Definitions

Baggage means all luggage, including suitcases, garment bags, tote bags, packages, camera and electronics bags, computer and equipment cases, personal electronic devices, briefcases, typewriters, and similar articles, whether carried by the passenger in the cabin or carried in the aircraft cargo compartments. Boarding Pass means a document issued by Eastern entitled Boarding Pass bearing the Passenger's first and last name, flight number and date, departure and destination airports, and a boarding group letter and number, which represents the Passenger's boarding group and reserved spot in the boarding group line. (2) **Unaccompanied Minor Children.**

- (i) **General Policy and Responsibilities of Eastern.** Under its unaccompanied minor service program, Eastern will supervise the child passenger from the time of boarding until the child is met at the stop over point or destination. Eastern will not assume any financial or guardianship responsibilities for unaccompanied children beyond those applicable to an adult passenger. Eastern will require the responsible party taking custody of the unaccompanied minor upon arrival to provide documentation establishing their identity and Eastern reserves the right to refuse to release an unaccompanied child to anyone other than the pre-designated party. Eastern requires that a parent or responsible adult accompany the child until boarding and that this adult provide the name, telephone number, and address of the party meeting the child at the transfer point or final destination. Eastern personnel cannot administer medicine to children flying alone.
- (ii) **Children younger than seven (7) years old.** Eastern will not accept for Carriage any child younger than 7 unless he or she is accompanied by a Passenger aged 16 or older.

- (iii) **Children 7 through 14 years old.** Unaccompanied children aged 7 through 14 old inclusive, will be required to use Eastern's unaccompanied minor service and will be accepted for Carriage by Eastern provided the child has a confirmed reservation and the flight on which he or she travels does not require a change of aircraft or flight number.  - (iv) **Child drop off and pick up.** The parent or guardian who brings an unaccompanied minor child to the departure airport will be required to remain at the departure gate until the flight is airborne. Eastern will not permit the unaccompanied child to board the aircraft until the child's guardian furnishes Eastern with documentation (a duplicate of which must be in the child's possession) identifying the parent or guardian that will be taking custody of the child upon arrival and deplaning at the destination airport. The parent or guardian meeting the child at his or her destination will be required to present a valid government-issued photo ID and sign a form acknowledging that they have taken custody of the child.
 - (v) **Unaccompanied Minor Charge.** Eastern's fee for providing supervisory services to unaccompanied child passengers is one hundred fifty dollars (\$150.00). If 2 or more unaccompanied minors who are members of the same immediate family are ticketed and traveling together, only one service charge will be assessed. If travel does not take place, the charge is nonrefundable.
- (3) **Child Restraint Devices.** Unless unoccupied seats are available on a flight, Eastern requires that passengers purchase a seat for each child traveling on its aircraft and that children be seated in FAA-approved child restraint systems. Restraints approved for use by FAA will be marked with the following language - "FAA Approved in Accordance with 14 CFR 21.8(d), Approved for Aircraft Use Only" or "FAA Approved in Accordance with 14 CFR 21.305(d), Amd 21.50 6-9-1980, Approved for Aircraft Use Only." To ensure passengers purchase FAA-approved restraints and understand how to operate them, Eastern strongly recommends that passengers visit the FAA's webpage on flying with children at https://www.faa.gov/travelers/fly_children/. Child restraint devices will be considered as items of carry-on Baggage counting toward the adult Passenger's carry on allowance, unless the child has been ticketed and a seat reserved for use of the CRD.

c. Carriage of Passengers with Disabilities

- (1) Eastern will make every effort to accommodate a Person with a Disability and will not refuse to transport a person solely based on the person's disability, except as permitted or required by law. Once advised that a person with a disability is "self-reliant", Eastern shall not refuse such passenger transportation on the basis that the Person with a Disability is not accompanied by a Personal Attendant or based on the assumption that the passenger may require extraordinary assistance from airline employees in meeting the passenger's needs. Pursuant to 14 CFR § 382.113, Eastern is unable to provide certain extensive inflight special services such as assistance in eating, assistance with elimination functions in the lavatory or at the Passenger's seat, or provision of medical services. Eastern may require, at its sole discretion, pursuant to 14 CFR § 382.29, that a Qualified Individual with a Disability be accompanied by a safety assistant as a condition of being provided air transportation in the following circumstances:
 - (i) When the Passenger is unable to comprehend or respond appropriately to safety instructions from Eastern, including the safety briefing required by 14 CFR §§ 121.571(a)(3) and (a)(4) because of a mental disability;
 - (ii) When the Passenger has a mobility impairment so severe that the Passenger is unable to physically assist in his or her own emergency evacuation of the aircraft; or
 - (iii) When the Passenger has both severe hearing and severe vision impairments that prevent the Passenger from establishing a means of communication with Eastern in order to permit transmission of the safety briefing required by 14 CFR §§ 121.571 (a)(3) and (a)(4).

If Eastern determines, in its sole discretion, that an individual meeting the criteria above must travel with a safety assistant and the individual disagrees and believes he is capable of traveling independently, Eastern will not charge the individual for Carriage of a safety assistant of the Eastern's choosing. If a seat is not available for the safety assistant and the individual with a disability is unable to travel on the flight, the individual will be eligible for denied boarding compensation. For purposes of determining whether a seat is available, the safety assistant shall be deemed to have checked in at the same time as the individual with the disability.

- (2) **Medical Certificate.** If Eastern concludes there is reasonable doubt that a passenger can complete their flight safely without requiring extraordinary medical assistance during flight, Eastern may require submission of a medical certificate as a condition of providing the passenger with transportation. A medical certificate is a written statement from a doctor asserting that an individual is capable of completing a flight safely, without requiring extraordinary medical assistance during flight. The medical certificate must be dated within 10 days of the guest's departure flight.
- (3) **Assistive Devices.** Mobility and other assistive devices used by a Qualified Individual with a Disability may be carried in the aircraft cabin in addition to the carry-on Baggage allowance. When necessary, Eastern will provide assistance in loading, stowing, and retrieving carry-on items, including assistive devices. Eastern will also assemble and disassemble wheelchairs without charge that will be stored in the aircraft cabin during flight. If the device cannot be carried in the Passenger cabin in accordance with FAA regulations, the device will be checked and carried free of charge in addition to the free Baggage allowance. No oversize or excess weight charges will be assessed. Assistive devices not for the personal use of the Passenger will be conditionally accepted and may be subject to oversized or overweight charges as described in Section 7(f).
- (4) **Manual Wheelchairs.** To the extent permitted by space and facilities, Eastern will permit a passenger using a manually operated wheelchair to remain in the wheelchair: 1) until the passenger reaches the boarding gate; 2) while the passenger is moving between the terminal and the aircraft door; and 3) while the passenger is moving between the terminal and the aircraft.
- (5) **Limitation of Liability.** Eastern's liability with respect to damage to or loss of mobility and other assistive devices shall not exceed the documented original purchase price of the assistive device pursuant to 14 CFR § 382.131. Eastern will also compensate the Passenger for other reasonable expenses incurred as a direct result of the loss of, damage to, or delayed delivery of the mobility or assistive device.
- (6) **Seating.** When a person identifies the nature of his or her disability, Eastern will, to the extent possible, accommodate the passenger with a seat assignment that suits the passenger's needs, including seating the passenger together with any Safety Assistant or Personal Attendant traveling with the passenger. Persons with a disability will not be prohibited from occupying seats in designated emergency exit rows, except to the extent required by law.

Eastern reserves the right to limit the number of pets carried on an aircraft to six. Pets are accepted on a first-come, first-served basis.

The carriers must be leakproof and well-ventilated, and the pet(s) must be able to stand up and move around the carrier with ease. The carrier must be small enough to fit under the seat in front of the Passenger and must remain stowed under the seat in front of the Passenger during the entire duration of the flight. - (iii) Eastern will permit a service animal to accompany a Qualified Individual with a Disability, unless Eastern determines in its sole discretion that the animal obstructs an aisle or other area that must remain unobstructed in order to facilitate an emergency evacuation or the animal poses a safety risk to Passengers and/or the flight crew. Service animals may not occupy a seat.
- (iv) A trained service animal accompanied by a trainer will be permitted to travel aboard Eastern's aircraft only if the animal is being delivered to the domicile of an individual with a disability who either owns or, upon delivery, will take immediate ownership of the animal for that individual's personal use. The Emotional Support Animal must be in a carrier that can be stowed under the aircraft seat or on a leash at all times while in the airport and onboard. An Emotional Support Animal may not occupy a seat or extend beyond the footprint of the Passenger's seat.
- (iv) Eastern retains the right, in its sole discretion, to refuse to transport any Emotional Support Animal exhibiting or known to have exhibited aggressive behavior or any other characteristics that appear incompatible with air travel.

- (2) **Responsibility of Passenger.** Carry-on Baggage is the sole responsibility of the Passenger.
- (3) **Allowable Carry-on Baggage.** In accordance to the fare rules outlined in Section 3(b) of this *Contract of Carriage*, passengers are restricted to one item of carry-on Baggage (e.g., roller bag, garment bag, tote bag,) not to exceed 22 pounds and not to exceed external dimensions of 9" x 14" x 22" plus one smaller personal-type item (e.g., purse, briefcase, laptop computer case, backpack, small camera), provided that such items are capable of being carried onboard the aircraft by one Passenger without additional assistance, unless the Passenger requires assistance due to a disability, and are capable of being stowed under a seat or in an overhead compartment. Sizing boxes with 9" x 14" x 22" dimensions are located at many of Eastern's curbside check-in locations, ticket counters, departure gates, boarding locations, and on many jet bridges. Eastern reserves the right to further restrict the number of carry-on items.
 - (i) A roller bag that otherwise would meet the 9" x 14" x 22" dimensions if the wheels were removed will be accepted.
 - (ii) Oversized articles of reasonable carry-on size that protrude from only one side of the sizing box and, because of their fragile nature, would be at greater than normal risk of damage if carried in the cargo hold (e.g., small musical instruments, blueprints, map tubes, fishing poles, artwork, media cameras/video equipment) are considered personal-type items and may be carried in the Passenger cabin if remaining onboard space permits and the item fits in an overhead bin without depriving other Passengers of sufficient overhead bin space.
 - (iii) Eastern will not accept oversized Baggage for carry-on at the gate and a passenger with carry-on Baggage that does not meet the above criteria may be charged a "gate baggage fee" or be required to return to the check-in counter to check the oversized Baggage.

 - (ii) Eastern will only accept Baggage for transportation if it and its contents can withstand ordinary handling, and if its weight, size, and character render it suitable for transportation on the particular aircraft on which it is to be carried, unless the Passenger agrees to assume the risk of checking the Baggage and the Eastern conditionally accepts it pursuant to Section 7(h).
 - (iii) Each piece of Baggage tendered to Eastern must have a current identification tag or label with the Passenger's name, address, and telephone number.

- (iv) With the exception of wheelchairs, mobility aids, and other assistive devices used by a Qualified Individual with a Disability, Eastern will not accept as Baggage any item having outside measurements (i.e., the sum of the greatest outside length plus height plus width) that exceed 80 inches or that weigh more than 100 pounds.
- (v) Eastern will not accept Baggage to an intermediate stop or connection point on the Passenger's Ticket or to a point beyond the Passenger's final ticketed destination.
- (vi) Eastern will not accept Baggage that, because of its nature, contents, or characteristics (e.g., sharp objects, paint, corrosives, or other hazardous materials prohibited by U.S. Department of Transportation Hazardous Materials Regulations), might cause injury to Passengers or Eastern, damage to aircraft or other equipment, or damage to other Baggage.
- (vii) Eastern will not accept Baggage that it determines cannot safely be carried in the Baggage compartment of the aircraft for any reason.
- (viii) The Eastern will not transport hazardous material included herein but not limited to: Adhesives, Aerosols, batteries, burning gel or paste, camping fuel, engine with residual fuel, fireworks, gasoline, lighter fluid, lighters butane, matches, paints and solvents, scuba tanks pressurized, sealants and flares.

With respect to third parties, the Eastern reserves all right of recourse against any other person, including without limitation, the rights of contribution and indemnity.

b. Baggage

- (1) Any liability of Eastern for the proven amount of damage from destruction, loss, damage or delay is limited to a total of 1,131 Special Drawing Rights ("SDR") per passenger for all checked and unchecked baggage or other property, unless a higher value is declared in advance and additional charges are paid pursuant to Eastern's rules.
- (2) In the event that a higher value is declared in advance and additional charges are paid pursuant to Eastern's rules, the liability of Eastern shall be limited to such higher declared value. In no case shall Eastern's liability exceed the actual loss suffered by the passenger. All claims are subject to proof of the amount of loss. Eastern shall not be liable for loss of revenue, time consequential or special damages, or other intangible expenses resulting from the loss, delay or damage to checked or unchecked baggage or other property.

Liability for destruction, loss or damage to checked baggage is limited to events that took place onboard the aircraft or while the baggage was under the charge of Eastern. However, Eastern is not liable if and to the extent that the damage

resulted from the inherent defect, quality or vice of the baggage. Eastern is not liable for loss, delay or damage to carry-on/unchecked baggage, including personal items, unless damage to such baggage or items resulted from Eastern's fault or that of its servants or agents. Assistance rendered to the passenger by the Eastern's employees in loading or unloading unchecked baggage shall be considered as a gratuitous service to the passenger and does not transfer any liability for damage to Eastern

c. Delay of Passengers

1. Liability of Eastern for the proven amount of damage caused by delay as specified in Article 19 of the Convention is limited to 4,694 SDR.
2. Eastern shall not be liable if it proves that it and its servants and agents took all measures that could reasonably be required to avoid the damage, or that it was impossible for it or them to take such measures.
3. Damages occasioned by delay are subject to the terms, limitations and defenses set forth in the Warsaw Convention and the Montreal Convention, whichever may apply, in addition to any limitation or defense recognized by a Court with proper jurisdiction over a claim.
4. Eastern reserves all defenses and limitations available under the Montreal Convention, to claims for damage occasioned by delay, including, but not limited to, the exoneration defense of Article 20 of the Convention. Under the Montreal Convention, the liability of the Carrier for damage caused by delay is limited to 4,694 SDR per passenger. The limits of liability shall not apply in cases described in Article 22 (5) of the Convention.

d. Death or Injury of Passengers

Eastern shall be liable under Article 17 of the Montreal Convention, whichever may apply, for recoverable compensatory damages sustained in the case of death or bodily injury of a passenger, as provided in the following paragraphs:

1. Eastern shall not be able to exclude or limit its liability for damages not exceeding 113,100 Special Drawing Rights for each passenger.
2. Eastern shall not be liable for damages to the extent that they exceed 113,100 Special Drawing Rights for each passenger if the Carrier proves that:

- a. such damage was not due to the negligence or other wrongful act or omission of the Carrier or its servants or agents; or
 - b. such damage was solely due to the negligence or other wrongful act or omission of a third party.
3. Eastern reserves all other defenses and limitations available under the Montreal Convention, to such claims including, but not limited to, the exoneration defense of Article 20 of the Montreal Convention.
 4. With respect to third parties, Eastern reserves all rights of recourse against any other person, including, without limitation, rights of contribution and indemnity.
 5. Eastern agrees that, subject to applicable law, recoverable compensatory damages for such claims may be determined by reference to the laws of the country of the domicile or country of permanent residence of the passenger.
 6. Eastern shall not be liable for any death, injury, delay, loss or other damage of whatsoever nature (hereafter referred to collectively as "damage") arising out of or in connection with carriage or other services performed by Eastern, unless such damage is proven to have been caused by the sole negligence or willful misconduct of Eastern and there has been no contributory negligence on the part of the Passenger.
 7. Eastern shall not be liable for any damage arising out of Eastern's compliance with any laws, government regulations, orders, rules, requirements or security directives or as a result of a Passenger's failure to comply with such laws, government regulations, orders, rules, requirements or security directives or as a result of Passenger's reliance on advice provided by Eastern regarding such laws, regulations, orders, rules, requirements or security directives.
 8. Eastern shall not be liable for any punitive, consequential or special damages arising out of or in connection with carriage or other services performed by Eastern, whether or not Eastern had knowledge that such damage might be incurred.

e. Time Limitations on Claims and Actions

- (1) No claim or action shall lie in the case of damage of or loss to baggage unless the person entitled to delivery files an initial complaint with Eastern prior to leaving the arrival airport, or at the latest, within seven (7) days from the date

of receipt of the baggage. Receipt by the person entitled to delivery of checked baggage without complaint is *prima facie* evidence that the baggage has been delivered in good condition.

- (2) No claim or action shall lie for delay of checked baggage unless a complaint is filed with the Eastern no later than twenty-one (21) days after the baggage has been made available to the person entitled to delivery
- (3) Any legal action premised on or related to claim of liability subject to the terms of the Convention must be commenced within two (2) years of the date of the incident. If the initial complaint is not provided within the time limitations set forth above and legal action is not commenced within two (2) years of the date of the incident, then the Eastern disclaims any and all liability arising from or relating to such incident.

9. SERVICE INTERRUPTIONS

a. Failure to Operate as Scheduled

- (1) **Cancelled Flights or Irregular Operations.** In the event Eastern cancels or fails to operate any flight according to Eastern's published schedule, or changes the schedule of any flight, Eastern will, at the request of a Passenger with a confirmed Ticket on such flight, take one of the following actions:
 - (i) Transport the Passenger at no additional charge on Eastern's next flight(s) on which space is available to the Passenger's intended destination, in accordance with Eastern's established re-accommodation practices; or
 - (ii) Refund the unused portion of the Passenger's fare in accordance with Section (4)(c) above.

Diverted Flights. In the event Eastern diverts any flight, Eastern, at its sole discretion, will take reasonable steps to transport Passenger to his final destination or to provide reasonable accommodations. In the event unusually strong headwinds or other weather conditions mandate that a flight operated by Eastern divert in order to obtain sufficient fuel to satisfy FAA fuel reserve regulations and/or ensure safety of flight, Passenger acknowledges that the diverted flight shall continue to be treated as nonstop service for all regulatory, reporting, and legal purposes. The flight shall be considered nonstop whether the decision to divert was made en route or by Eastern flight planning personnel prior to departure and shall not give rise to any liability whatsoever on the part of Eastern.

- (2) **Flight Schedule Changes.** Flight schedules are subject to change without notice, and the times shown on Eastern's published schedules, Tickets, and advertising are not guaranteed. At times, without prior notice to Passengers, Eastern may need to substitute other aircraft and may change, add, or omit intermediate stops. Eastern cannot guarantee that Passengers will make connections to other flights by the Eastern or by other airlines. In the event of flight schedule changes or service withdrawals, Eastern will attempt to notify affected Passengers as early as possible.
- (3) In the case of a cancellation or misconnection with a flight by Eastern, if rebooking options are available the following day, and the cancellation was the fault of Eastern, we may offer overnight hotel accommodations for non-local guests. However, if the cancellation or misconnection is caused by severe weather, delays imposed by Air Traffic Control, or other conditions beyond the control of Eastern (including, but not limited to acts of God, force majeure events, strikes, civil commotions, embargoes, wars, hostilities, or other disturbances, whether actual, threatened, or reported) , such accommodations will not be offered. No lodging will be provided to a guest on any flight which is delayed or canceled in the originating city on the guest's reservation.
- (4) **Limitation of Liability.** Except to the extent provided above in this Section 9(a), Eastern shall not be liable for any failure or delay in operating any flight, with or without notice for reasons of aviation safety or when advisable, in its sole discretion, due to Force Majeure Events, including, without limitation, acts of God, meteorological events, such as storms, rain, wind, fire, fog, flooding, earthquakes, haze, or volcanic eruption. It also includes, without limitation, government action, disturbances or potentially volatile international conditions, civil commotions, riots, embargoes, wars, or hostilities, whether actual, threatened, or reported, strikes, work stoppage, slowdown, lockout or any other labor related dispute involving or affecting Eastern service, mechanical difficulties by entities other than Eastern, restrictions on Eastern's operations imposed by Air Traffic Control, an inability to obtain fuel due to factors beyond Eastern's control, a lack of airport gates, labor, or suitable landing facilities for the flight in question or any fact not reasonably foreseen, anticipated or predicted by Eastern.

b. Denied Boarding Procedures

- (1) The following definitions, as prescribed in 14 CFR § 250.1, pertain solely to the denied boarding compensation provisions of this Article:

Airport means the airport at which the direct or connecting flight on which the Passenger holds confirmed reserved space is planned to arrive, or some other airport serving the same metropolitan area, provided that the transportation to the other airport is accepted (*i.e.*, used) by the Passenger.

Alternate transportation means air transportation with a confirmed reservation at no additional charge, operated by a Eastern as defined below, or other transportation accepted and used by the passenger in the case of denied boarding.

Class of service means seating in the same cabin class such as First, Business, or Economy class, or in the same seating zone if Eastern has more than one seating product in the same cabin such as Economy and Premium Economy class.

Confirmed reserved space means space on a specific date and on a specific flight and class of service of a Eastern which has been requested by a passenger, including a passenger with a "zero fare ticket," and which the Eastern or its agent has verified, by appropriate notation on the ticket or in any other manner provided therefore by the Eastern, as being reserved for the accommodation of the passenger.

Fare means the price paid for air transportation including all mandatory taxes and fees. It does not include ancillary fees for optional services.

Stopover means a deliberate interruption of a journey by the Passenger, scheduled to exceed four hours, at a point between the place of departure and the place of final destination.

Zero fare ticket means a ticket acquired without a substantial monetary payment such as by using frequent flyer miles or vouchers, or a consolidator ticket obtained after a monetary payment that does not show a fare amount on the ticket. A zero fare ticket does not include free or reduced rate air transportation provided to airline employees and guests.

(2) **Request for Volunteers.**

- (i) In the event of an oversold flight, before denying boarding to any passenger holding a confirmed reservation on an oversold flight, Eastern shall ask passengers in the boarding area to voluntarily relinquish their seats in exchange for compensation in an amount and form to be determined by Eastern. A "volunteer" is a person, including the holder of

a zero fare ticket, who voluntarily relinquishes his or her seat in response to Eastern's request for volunteers and who willingly accepts Eastern's offer of compensation. Any other Passenger denied boarding is considered to have been denied boarding involuntarily, even if that Passenger accepts denied boarding compensation.

- (ii) Eastern will advise each Passenger solicited to volunteer for denied boarding, no later than the time the Eastern solicits that Passenger to volunteer, whether he or she is in danger of being involuntarily denied boarding and, if so, the compensation the Eastern is obligated to pay if the Passenger is involuntarily denied boarding. If an insufficient number of volunteers come forward, Eastern may deny boarding to other Passengers in accordance with Eastern's boarding priority rules as specified in Section 6, below.

(3) **Conditions for Payment of Compensation to Passengers Involuntarily Denied Boarding due to an Oversale.** Subject to the exception in Section 4 below of this Article, Eastern will tender to a Passenger the amount of compensation specified in Section 5 of this Article, provided that:

- (i) The Passenger holds a Ticket, including a Zero Fare Ticket, for confirmed reserved space and presents himself for Carriage at the appropriate time and place, having complied fully with Eastern's requirements as to ticketing, check-in, and acceptability for transportation in accordance with this *Contract of Carriage*; and
- (ii) Other than for reasons set forth in Article 6, above, or when resulting from substitution, for operational or safety reasons, of an aircraft having a lesser seating capacity than the aircraft originally scheduled, Eastern is unable to accommodate the Passenger on the flight for which the Passenger holds confirmed reserved space, and such flight departs without the Passenger.

(4) **Comparable Transportation.** The Passenger will not be eligible for compensation if Eastern offers comparable air transportation, or other transportation used by the Passenger at no extra cost, that, at the time such arrangements are made, is planned to arrive at the airport of the Passenger's next stopover or, if none, at the airport of the Passenger's final destination no later than one hour after the planned arrival time of the Passenger's original flight or flights.

(5) **Involuntarily Denied Boarding Compensation for an Oversale.**

- (i) Passengers that are denied boarding involuntarily at a U.S. airport shall be compensated in accordance with 14 CFR § 250.
 - (ii) Compensation shall be 200% of the fare to the Passenger's destination or first stopover, with a maximum of \$675, if the Eastern offers alternate transportation that, at the time the arrangement is made, is planned to arrive at the airport of the Passenger's first stopover, or if none, the airport of the Passenger's final destination more than one hour but less than four hours after the planned arrival time of the Passenger's original flight; and
 - (iii) Compensation shall be 400% of the fare to the Passenger's destination or first stopover, with a maximum of \$1,350, if the Eastern does not offer alternate transportation that, at the time the arrangement is made, is planned to arrive at the airport of the Passenger's first stopover, or if none, the airport of the Passenger's final destination less than four hours after the planned arrival time of the Passenger's original flight.
 - (iv) Compensation will be paid by Eastern on the day and at the place where the denied boarding occurs, except that if Eastern arranges, for the Passenger's convenience, alternate means of transportation that departs before the payment can be made, payment will be sent by mail or other means within 24 hours after the time the denied boarding occurs.
 - (v) Acceptance of compensation by the Passenger relieves Eastern from any further liability to the Passenger caused by Eastern's failure to honor the confirmed reservation.
- (6) **Denied Boarding Priority Rules.** Eastern's boarding priority is established on a first-come, first-served basis in the order boarding positions are secured. In determining which Passengers holding confirmed reserved space shall be denied boarding involuntarily, Eastern shall deny boarding in reverse order from the order in which the Passengers' boarding positions were secured (i.e., the last Passenger who receives a boarding position will be the first Passenger denied boarding involuntarily in an oversale situation), with no preference given to any particular person or category of fares.
- (7) **Written Explanation of Denied Boarding Compensation and Boarding Priority Rules.** When a denied boarding occurs, Eastern will give Passengers who are denied boarding involuntarily a written explanatory statement describing the terms and conditions of denied boarding compensation and Eastern's boarding priority rules.

- (8) In addition to the denied boarding compensation specified herein Eastern shall refund all unused ancillary fees for optional services paid by a passenger who is voluntarily or involuntarily denied boarding. Eastern is not required to refund the ancillary fees for services that are provided with respect to the passenger's alternate transportation.

c. Ground Transportation

Unless provided at the direction of Eastern, Eastern does not assume responsibility for the ground transportation of any Passenger or his Baggage between any airport used by Eastern and any other location. Ground Transportation is at the Passenger's expense.

10. Personal Data

Passenger acknowledges that personal data has been given to Eastern for the purposes of making a reservation for carriage, obtaining ancillary services, facilitating immigration and entry requirements, and making available such data to government agencies. For these purposes, the passenger authorizes Carrier to retain such data and to transmit it to its own offices, other Carriers, or the providers of such services, in whatever country they may be located.

Eastern does not knowingly collect personal identifiable information from children under the age of 13 other than that necessary to make a travel booking and is committed to complying fully with the Children's Online Protection Act and the FTC's regulations implementing the Act (see 16 C.F.R. 312). For detailed information on Eastern's policies, please see its Privacy Policy at www.goeasternair.com.

11. MISCELLANEOUS

- (1) No claim for personal injury or death of a Passenger will be entertained by Eastern unless written notice of such claim is received by Eastern within 21 days after the occurrence of the event giving rise to the claim.
- (2) No legal action on any claim described above may be maintained against Eastern unless commenced within one year of the Eastern's written denial of a claim, in whole or in part.

- (3) This Contract of Carriage shall be governed and construed in accordance with the laws of the state of North Carolina without regard to its conflict of law principles or law.
- (4) Should any term or other provision of this Contract of Carriage be determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other terms, provisions and conditions of this Contract of Carriage shall nevertheless remain in full force and effect.
- (5) This Contract of Carriage represents the entire, integrated agreement between the parties relating to transportation by Eastern, and shall supersede all prior representations, understandings or agreements pertaining thereto, either oral or written. No other covenants, warranties, undertakings or understandings may be implied, in law or in equity.
